What data do we collect?

Keepmap collects the following data:

- Personal identification information (Name, email address, phone number, etc.)

How do we collect your data?

You directly provide Keepmap with most of the data we collect. We collect data and process data when you:

- Register online or place an order for any of our products or services.

- Voluntarily complete a customer survey or provide feedback on any of our message boards or via email.
- Use or view our website via your browser's cookies.

Keepmap may also receive your data indirectly from the following sources:

- Use of any of our services, like mobile application.

How will we use your data?

Keepmap collects your data so that we can:

- Process your order and manage your account.
- Email you with special offers on other products and services we think you might like.

If you agree, Keepmap will share your data with our partner companies so that they may offer you their products and services.

When Keepmap processes your order, it may send your data to, and also use the resulting information from, credit reference agencies to prevent fraudulent purchases.

How do we store your data?

Keepmap securely stores your data at Digital Ocean's datacenter.

Keepmap will keep your personal data for lifetime of service. Once this time period has expired, we will delete your data by permanently destroying all service data.

Marketing

Keepmap would like to send you information about products and services of ours that we think you might like, as well as those of our partner companies.

If you have agreed to receive marketing, you may always opt out at a later date.

You have the right at any time to stop Keepmap from contacting you for marketing purposes or giving your data to other members of the Keepmap.
